Barcelona Highlights with Sagrada Familia - Tapas Tour + Flamenco Show

For the first part of the activity, enjoy a walking tour of the Born neighborhood and the Gothic Quarter. Stroll down one of the most important streets in the city until you reach the Cathedral of Barcelona. You will have some free time to visit the same on your own. Meet your guide again to continue the walking tour. Walk the narrow streets of the oldest part of the city and discover the many secrets it holds. Marvel at the quaint medieval places hidden to the crowds and learn about their huge historical significance. Did you know the Gothic Quarter shelters the Old Jewish Quarter of Barcelona? Follow your guide to Plaça Catalunya to board an air conditioned coach for a panoramic tour through the city. Drive through Passeig de Gràcia and admire the most popular Gaudi Houses, Casa Batlló and Casa Milà (La Pedrera). Notice some the most important modernist façades. Next, listen to your guide's explanations as we drive near the sea. Discover the changes to the coastline of Barcelona for the Olympic Games in 1992. See the Olympic Port, the beach and the fisherman's quarter from the bus, called Barceloneta. Head to the Montjuïc Mountain, main scenery of the Olympic Games in 1992. Ride the cable car for amazing views over the city. At the end of the tour we will stop in the MNAC viewpoint to see one of the most beautiful panoramic views of the city. Between both parts of the tour you will have 1hour of free time for lunch. Start the tour from our office next to Sagrada Familia. Remember you must check in at least 15 minutes before the starting time of the activity. An experienced guide will pick you up from the office and walk you to the Basilica. Enter the monument and discover the ultimate must-see landmark in Barcelona. Learn about the history and significance of Sagrada Familia by the hand of your local guide. Marvel at the astonishing interior, rich in symbolism inspired on natural wonders. Walk freely around the nave whilst listening to your guide's explanations of Gaudí's masterpiece on your headsets. Take in all the details of the perfect fusion between architecture and spirituality. Tour the outside façades and wonder at the magnificence of details. At the end of your tour you can stay inside Sagrada Familia and visit the museum. An exhibition of drawings, models and pictures narrate the story of the Basilica. Camp Nou Experience - Flamenco Show

The FC Barcelona, commonly referred to as Barcelona and colloquially known as Barça, is one of Europe's, and undoubtedly the world's, best-known soccer teams. The club has used the 2,400m² of the old ice rink to transform it into a unique and completely renovated exhibition of the history, players, trophies and values. You will be able to experience the entire exhibition firsthand and at your leisure with an audio guide included in the basic ticket. It is an exhibition full of emotional content, which ends in a large audiovisual space called Spotify Camp Nou Live: an immersive large-format show that offers a 360° experience. You will be the protagonist. This is an experiential experience, where the visitor can discover and feel that they are part of the particular Barça universe. The new museum will coexist with the works of the future Camp Nou and, therefore, has the challenge to be the flagship space from which it will explain the essence of the Club. It is a space that will connect past, present and future through historical moments, legendary players and triumphs. Opened since 1963, Los Tarantos is the oldest flamenco tablao in Barcelona. It is located in the beautiful Plaça Reial, next to Las Ramblas. Come and enjoy a real flamenco show! Watch the spectacular flamenco tap dance while you get immersed in the live music. Feel the passion and sensuality of the flamenco art and live a unique experience for the senses. A cast formed by guitarists, singers and percussion will set the pace of the flamenco evening. The 35-minute show will catch your attention from beginning to end! 🍳 Breakfast Included
